Big Winner! *Archie's* **50th** ANNIVERSARY INTERVIEW CONTEST!

INTERVIEW BY
Tekoa Ebb
Revelstoke B.C.
CANADA

ME: How long were The Archies on TV?

MOM: Off and on for 10 years. When I was younger, my two girlfriends would pretend they were Veronica and Betty. My one girlfriend would pretend to be Veronica because she had dark hair and her family was better off because they had more money than most. And my other girlfriend would pretend to be Betty because she had blonde hair and wasn't as rich as the other. And the two used to fight over my brother, pretending he was Archie. And when I played, I was Betty. And I like Betty better, because she was sweet and a more helpful person.

ME: What did you think of their clothes?

MOM: We thought they had really neat clothes, and we would dress up like them and try to do our hair like them.

ME: What about their music?

MOM: We liked their songs, "Sugar, Sugar" and "We're the Archies."

ME: Any other comments?

MOM: I think it's nice that the Archie characters have stayed around so long. It's nice the comic books are still around so you and I can enjoy them. It's nice to know that you can pick up an Archie book and without looking through it, know there won't be anything to encourage drugs and alcohol. They show all the fun things young people can do without drugs.

Club members; keep those reports comin' in, we'll be back!

Archie and the gang now star in their very own full-length books!

Here's a peek inside one of the Riverdale High novels:

"What's wrong, Betty?" Archie asked. "You have a strange look in your eyes."
"Ron wants to go steady with Nick," I told my friends.

Everyone gasped in disbelief. They all knew Nick was bad news . . . but they didn't know the whole story. It was time to tell them everything I'd been holding back. I explained how Nick really felt about Veronica. I admitted, even though it was embarrassing, how Nick kept making a play for me behind Ronnie's back.

"I should have slugged the creep when I had the chance," fumed Archie.

"It's too late for that now," I said. "But it's not too late to stop Ron from asking Nick to go steady."

"We owe it to Ron," Midge agreed. "We've got to break up this romance even if she ends up hating us."

I looked around the table at the concerned faces of my friends. "I have an idea. If it works," I said, "it's me Ron will end up hating." I sighed. I was about to put my friendship with Ronnie to its most severe test.

From Book #2: BAD NEWS BOYFRIEND

If you like Archie comics, you'll love the Riverdale High books! With more romance, more action, and lots more Archie fun, these books let you get to know Archie and the gang even better!

Ask for the Riverdale High books wherever books are sold. Books 1-7 available now. Each book: \$2.99.

IT'S A HIT!

Bottom of the 10th, two outs, bases loaded, and the league's best hitter is at the plate. Will he take your screw ball downtown? Or will you blow him away with your awesome fast ball? Find out when you play Extra Innings, the amazing new baseball game for Super NES.

Select your starting lineup based on who's hot and who's not. With Extra Innings, you call the shots and control the action: the spin on the curve ball, your batter's slugging power, even your player's dive for a shot up the middle.

When you play Extra Innings, you

can put on a hit and run, take a long lead off first, or nail a base runner at the plate on a sacrifice fly. Play like the pros as you fight for a 12-team league pennant. And remember, statistics are updated and available on every player. You even select the stadium — air dome, midsize, or high-walled. Every choice changes the game.

There's never been a baseball game like Extra Innings. Eight different playing options, including two-player mode and all-star team competition, make this the hit of the season. Extra Innings. It's a home run!

Bases loaded, full-count
